# 10 Union Street

10 Union Street is a contemporary new event space in the heart of London Bridge. Our modern venue combines flexible and purpose-built meeting and events spaces, making the best use of technology, including video conferencing and first-class audio-visual facilities.

With 13 spaces spanning 3 floors and capacities from 5-400 we have a range of rooms to suit all requirements, from meetings and conferences to receptions and dinners, we're also licensed for weddings!

Here at 10 Union Street we work with our in-house caterers Graysons who use the freshest ingredients with a focus on the local supply chain. For our food we use seasonal British ingredients wherever possible, so our menus are updated seasonally and include modern takes on traditional British dishes as well as some fabulous dishes with wider influences.

We have great event spaces, great food and to top it off it's so easy to reach us. 10 Union Street benefits from a variety of public transport options right on the doorstep including tube, train and bus routes, for more information on how to reach our venue please visit our website.

Events are our speciality and we can't wait to help you organise your next function, please get in touch with our friendly team to discuss availability and our packages in more detail.
