

Farmers & Fletchers in the City

Farmers & Fletchers in the City is a fresh, exciting, versatile new destination for corporate events, private celebrations, networking and hospitality. Ancient and modern come together beautifully in this stunning, recently refurbished livery hall which combines flexible purpose-designed event spaces with the rich heritage of London's medieval guilds.

Comprising of four different event spaces or available on an exclusive basis, we can accommodate a whole host of functions from parties and dinners to meetings and conferences for up to 260 guests. With contemporary AV facilities and stunning catering we can provide the perfect backdrop for your next event.

Here at Farmers & Fletchers in the City, we work with our in-house caterers Graysons who use the freshest ingredients with a focus on the local supply chain. For our food we use seasonal British ingredients wherever possible, so our menus are updated seasonally and include modern takes on traditional British dishes as well as some fabulous dishes with wider influences.

A minute's walk from the Barbican, the venue benefits from a variety of public transport options right on the doorstep including tube, train and bus routes, for more information on how to reach our venue please visit our website.

Events are our speciality and we can't wait to help you organise your next function, please get in touch with our friendly team to discuss availability and our packages in more detail.
