

## Dartmouth House

Bathed in rich history, and home to the English-Speaking Union since 1926, Dartmouth presents itself beautifully for many different occasions. The Anglo-French features with contemporary touches make this the perfect space for weddings, gala dinners, summer parties, business events and conferences. Our event organisers would be delighted to help you arrange any extra special occasions – birthdays, anniversaries, and of course weddings. The venue also benefits from the stunning French inspired Courtyard, an rare oasis in the centre of London making it a unique spot for a number of occasions.

We work with our in-house caterers Graysons who use the freshest ingredients with a focus on the local supply chain. For our food we use seasonal British ingredients wherever possible, so our menus are updated seasonally and include modern takes on traditional British dishes as well as some fabulous dishes with wider influences.

Set in the heart of Mayfair, the venue is on the doorstep of Buckingham Palace, Green park and shopping-central Bond Street.

Events are our speciality and we can't wait to help you organise your next function, please get in touch with our friendly team to discuss availability and our packages in more detail.
